A reservation designated as the Southwestern Alaska Fisheries Reservation having been created by the Executive Order of November 3, 1922, the Alaska-Portland Packers Association, whose home office is at Portland, Oregon, is hereby authorized to operate its plant for the canning and salting of salmon for commercial purposes at Nushagak, within Zone Two of the Bristol Bay district of the said reservation, during the calendar year 1923, under the following conditions:

1. That on the basis of further information received in regard to the plant and equipment of the Alaska-Portland Packers Association at Nushagak, and the operations carried on in previous seasons, Permit No. 23, issued to the company under date of December 20, 1922, is hereby canceled and a revised allotment of fishing apparatus is made as specified in this permit.
2. That the company may operate fifty-four (54) gill-net boats from the said Nushagak cannery, each boat carrying not to exceed 200 fathoms of gill net. The two traps operated in previous seasons are not to be operated in the season of 1923.

4. That the company shall observe the existing laws and regulations for the protection of the fisheries of Alaska and for the administration of the said reservation (copies of which are attached hereto and the conditions of which are made a part of this permit), as well as those that may hereafter be enacted or promulgated for such purposes.
5. That this permit expires December 31, 1923, is not transferable, and is revocable at any time at the pleasure of the Secretary of Commerce.
